Subject: Senator McCain and the Service Employees International Union

May 30, 2007

Dear [REDACTED]

Thank you for inviting Senator McCain to participate in the Service Employees International Union's "Walk a Day in My Shoes" program and member interview this summer.

Senator McCain appreciates your invitation and the valuable opportunity it represents. Unfortunately, I must pass along the Senator's regrets and do not foresee an opportunity to add these events to the calendar.

I know you will understand that with the tremendous demands on his time and the large volume of similar requests, events such as this are extremely difficult to schedule even though each one is important. However, we will keep your event in mind should an opportunity present itself in the future.

We are also still reviewing the Member Political Action Conference in Washington, DC on September 17, 2007.

I know that the Senator would want me to thank you for your interest and to send his very best wishes.

Sincerely,

[REDACTED]
Director of Scheduling
